70 Parkway Drive, Albany

**Client**  
ASB Properties

**Value**  
\$1.5 Million

**Period**  
3 months

**Consultants**  
Architect /  
BVN Architects (Australia)

ASB's new regional centre consisted of 620m<sup>2</sup> of office fitout over two levels. The beach themed design reflected the building's proximity to Mairangi Bay, resulting in Haydn & Rollett constructing a boatshed, a cave, and a seat from an old dinghy amongst the new partitions and kitchens.

The project featured hi-spec electrical, mechanical and audio visual services along with the top quality flooring, joinery and ceiling finishes.
