

# 125 Queen St

**Joinery**

**Project**  
Commercial

**Location**  
125 Queen St  
Auckland CBD

**Client**  
Cachet Group

**Value**  
\$340k

This project for interior design and office fitout company Cachet Group involved designing, manufacturing and installing joinery for a multi-level commercial office fitout on Queen St, Auckland.

Haydn & Rollett handled all the fixed joinery, including solid oak privacy screens, work benches and utility storage stations. As well, the team took care of the cabinetry for the kitchens, using a pure-grain finished Melteca in 'Classic Oak' and 'Storm'.
